

GREETINGS FROM

# CAMP CLAM

BK & THE CLAMS CELEBRATE THEIR 10TH COCKTAIL MENU!

*Welcome to*

# CAMP CLAM

Camp Clam is the 10th cocktail menu from our talented and creative bar team, BK & The Clams, led by Brittany 'BK' Kellum!

With every new cocktail menu, BK & The Clams commits to a theme that sets the tone for everything from the drinks themselves to the aesthetic of the menu to the t-shirts adorned by staff during the menu's reign - and everything in between.

This time, they're taking guests back to a simpler time: Summer Camp in the '70s.

A time when running out of bug spray, claiming top bunk, or getting your camp crush to notice you were your biggest worries. So "sip" back and relax, and let the nostalgia flow over you as you drink in a refreshing, well-balanced cocktail crafted with fresh, made-in-house ingredients.

# COCKTAILS SERVED WITH CREATIVITY

OUR MENU ALSO SHOWCASES OUR BAR TEAM'S CREATIVITY  
IN A NUMBER OF OTHER WAYS INCLUDING...

## CALL OF THE CLAM

You pick your spirit, and the rest is up to us! This allows our team to create a craft cocktail customized just for you.

Know your palette pretty well?  
Let us in on some general likes and dislikes so that what we shake up is perfect for you!

## WAITING FOR MAGIC

Our team knows, sometimes, it's all about the vibe.

That's why each menu introduces one new "Waiting for Magic" cocktail to the roster that offers guests a vibe vs. a list of ingredients to help them pick their poison.

## SHERRY COCKTAILS

Sherry has been enjoyed with seafood for over three thousand years. It's an unexpected but natural companion to fish and shellfish but can often be overlooked on a menu. We love to showcase the versatility of sherry by offering cocktails that use this fortified wine as a main ingredient and highlight its unique characteristics.

Fun fact: Did you know that 'fino' is a type of sherry?  
The dynamic duo of seafood and sherry is the origin of our name!
